

Amendment to the Minutes of the Members' Meeting of the EPSC 2019 held in Jerusalem on April 3, 2019.

After on-line consultation, all EPCS members agree that, as the organizers of the conference in Vienna are not able to find alternative dates, which would not coincide with Passover, the 2021 EPCS conference will be held in Lille, organized by Etienne Farvaque. The conference in Vienna is delayed to 2023.
